

**5 JANUARY 2022****CIMIC'S LEIGHTON ASIA WINS A\$103M DATA CENTRE CAMPUS**

CIMIC Group company Leighton Asia has been selected to construct a data centre campus in Jakarta, Indonesia, for a multinational technology corporation.

The contract will generate revenue of approximately A\$103 million<sup>1</sup> for Leighton Asia.

CIMIC Group Executive Chairman and Chief Executive Officer Juan Santamaria said: "Leighton Asia has a strong track record of delivering industrial projects in Indonesia along with recent experience in the delivery of expansion works for a data centre in Hong Kong. We're pleased to use these capabilities to meet our client's needs for an advanced data centre."

Leighton Asia Managing Director Pedro Vicente said: "With Leighton Asia's local knowledge and resources, combined with our international experience, we will be able to provide clients with a safe and successful project delivery."

Construction works comprise the delivery of site infrastructure for the campus, a data centre building with two data halls and associated buildings for storage, security and other operational facilities, as well as mechanical, electrical, and plumbing services, façade and external works.

Construction is scheduled to commence in January 2022 and complete in 2023.
