HOCHTIEF appoints Peter Hingott as CEO of HOCHTIEF Infrastructure

José Ignacio Legorburo appointed EVP Operations for Europe of HOCHTIEF

HOCHTIEF has appointed Peter Hingott as Chief Executive Officer of HOCHTIEF Infrastructure. He succeeds José Ignacio Legorburo, who has been appointed as Executive Vice President Operations for Europe of HOCHTIEF.

Mr Hingott brings extensive international leadership experience in the infrastructure and construction sector. Most recently, he served as a Member of the Executive Management of Geiger Group. Prior to that he was CEO and member of the Board of Management of the BAUER Group.

As CEO of HOCHTIEF Infrastructure, Mr Hingott will be responsible for the continued development and performance of the business, with a focus on operational excellence and sustainable growth across the portfolio.

Mr Legorburo has led HOCHTIEF Infrastructure as CEO since March 2015 and has played a central role in strengthening the company's position within the Group. In addition to his role at HOCHTIEF Infrastructure, he served for many years as a member of the Executive Board and Chief Operating Officer of HOCHTIEF Aktiengesellschaft and HOCHTIEF Solutions AG.

In his new role as EVP Operations for Europe, Mr Legorburo will provide his extensive operational and executive experience to further strengthen governance, resilience, and long-term value creation.

HOCHTIEF CEO Juan Santamaría said: “Peter Hingott brings deep industry experience and strong leadership capabilities that will support the continued development of HOCHTIEF Infrastructure. At the same time, Ignacio Legorburo’s appointment as HOCHTIEF’s EVP Operations for Europe ensures that the Group continues to benefit from his extensive operational expertise and disciplined approach to the business.”

HOCHTIEF is an engineering-led global infrastructure solutions provider with leading positions in North America, Australia and Europe and a strong presence in the rapidly expanding strategic growth markets of data centers, energy and sustainable infrastructure markets. With around 62,000 employees and a sales volume of EUR 38.2 billion in 2025, HOCHTIEF is the leading construction management and green building company in the U.S. (through Turner), the largest contractor in the Australian infrastructure services market (CIMIC), a key player in U.S. transportation infrastructure (FlatironDragados) and a renowned civil engineering and building construction company in Europe. The Group’s PPP and infrastructure development activity is complemented by its 20% stake in the leading international toll road concessions operator Abertis. HOCHTIEF’s strong competitive position is underpinned by the Group’s engineering know-how, innovative digital systems and supply chain & logistics solutions. Thanks to its long-standing commitment to sustainability, HOCHTIEF, where green projects account for almost 50% of Group sales, has been listed in the Dow Jones Sustainability Indices since 2006 and is committed to delivering on its ESG agenda including a net-zero target for 2045.
