The total number of treasury shares currently owned by HOCHTIEF Aktiengesellschaft amounts to 5,073,068 which is 7.32 % of the total outstanding shares of HOCHTIEF Aktiengesellschaft.

HOCHTIEF is one of the most international construction groups worldwide. The company delivers complex infrastructure projects, in some cases on the basis of concession models. The Group operates in the transportation infrastructure, energy infrastructure and social/urban infrastructure segments as well as in the contract mining business. With around 44,000 employees and a sales volume of more than EUR 21 billion in FY 2015, HOCHTIEF is represented in all the world's major markets. With its subsidiary CIMIC, the Group is market leader in Australia. In the USA, the biggest construction market in the world, HOCHTIEF is the No. 1 general builder via its subsidiary Turner and, with Group company Flatiron, ranks among the most important players in the field of transportation infrastructure construction. Because of its engagement for sustainability, HOCHTIEF has been listed in the Dow Jones Sustainability Indexes since 2006. Further information is available at www.hochtief.com/press.
