The Executive Board of HOCHTIEF Aktiengesellschaft decided to start a share buyback programme. Up to 4,313,000 no par value shares in HOCHTIEF Aktiengesellschaft (approx. 5.6 percent of the Company's share capital) for a total purchase price (without incidental acquisition fees) of up to EUR 260 million shall be bought back by HOCHTIEF Aktiengesellschaft. The purchase of the shares shall be conducted via the stock exchange. The shares that are bought back may be used for any purpose set forth in the authorization resolution of the Annual General Meeting of May 7, 2013.

The share buyback programme is based on the authorization of the Annual General Meeting of May 7, 2013, to launch a share buyback programme for shares in the amount of up to 10 percent of the company's share capital until May 6, 2018. The purchase price per share (not including incidental acquisition costs) may not be more than 10 percent above or below the arithmetic mean of the prices of no-par value shares of HOCHTIEF Aktiengesellschaft in the closing auction in XETRA trading (or an equivalent successor system) on the Frankfurt Stock Exchange during the last ten stock market trading days preceding the conclusion of the obligating transaction.

The buyback will be carried out in the period between June 17, 2013 and December 13, 2013 by a bank to be commissioned by the Company and in accordance with Art. 4 to 6 of the Directive (EC) No 2273/2003 of the Commission of December 22, 2003.
